

Do you own an “airport car”?

Would you like to have an “airport car” at every airport?

Would your own “airport car” benefit from more frequent use?

Introducing... Airport Cars Club!

Airport Cars Club is an Internet based car club that enables owners to register their cars and exchange the use of them for the use of member cars at other airports. All for a modest yearly membership fee! The Airport Cars Club turns seldom-used cars into a network of ground transportation for general aviation.

Airport Cars Club benefits

- Cars available at no charge in airports all across the country
- Increased utility of your car and aircraft
- Easy car-use scheduling through a members-only website
- Online owner networking through airportcarsclub.com
- More regular use of your own airport car to keep it in good condition

In a world of shrinking resources, sharing assets just makes sense! Check out our website today for more details. Hurry, the first car registered at each airport gets a free one year membership.
